NARRATIVE:

Douglas Estes has an extensive adult criminal history that began at the age of 19. His convictions include multiple drug convictions, multiple burglary convictions, cruelty to a child, grand theft property, receiving stolen property, resisting arrest, suspended license, multiple vehicle thefts, violation of parole and liquor to minors. He has served multiple state prison terms, the longest, a 3 year term for burglary. Estes was released from state prison to the supervision of the Los Angeles County Probation Department on February 27, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). Estes qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft property is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
